MEMORANDUM FOR THE RECORD

FROM : Henry S. Rowen  
Chairman, National Intelligence Council

1. With the Director's o.k., I spoke with Bob Bartley, Editor of the Wall Street Journal about recent developments in Suriname and then, on Thursday, January 6, met with S.K. Witcher, a WSJ reporter, to discuss the same subject. [ ] ANIO/LA joined me for the latter conversation. We described events leading up to the recent killing in Suriname, the events that occurred, the potential for Cuban involvement there, and the wider implications if this were to happen.

2. No classified information was communicated.
